

Adult topic article writing services

In 2009 Getmecontent.com is introducing our adult, gambling, and prescription drug article writing services. However, please be advised that we will not write on illegal topics or activities.

These options are not included in our main shopping cart area. Written by our US team. Word counts are flexible. Questions: sales@getmecontent.com

Pricing: Please calculate your price based on the amount of words you need at \$0.04 cents per word.

Example: Ten 500 word articles = $10 \times 500 \times .04 = \200 You would enter 200 in the box below. After placing your order, we will send you an article planner that you can use to indicate your topics, word count, keywords, etc.
